Held _____

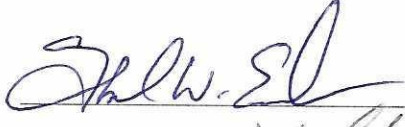

April 27, 2023

~~9:00~~ a.m.

The Washington Township Trustees met in special session with Powell, Smith and Euler present. Chairman Euler presided. In attendance: Larry & Tuggie Ryan, Heather Davis, Kristi & Steve Riley, Bob Stacy, Roland Southard, Terry Hummel and Eric Losey.

Trustees reviewed the drainage map & checked several catch basin's on the corner of Rill Run & Back Bay Rd's as well as the new sub division. There is a wash out on the corner of Back Bay Rd & Rill Run next to a catch basin. There is a sewer line that runs near the catch basin. The township will contact Northwest water and sewer to verify that it isn't causing the washout. The county will run a camera to make sure that all the drainage lines are functioning properly. Also, the county will run a camera in the tile that is in front of lot 79. The tile that runs from the retention pond to the lake. There was discussion about improving the swale next to retention pond to help with surface water drainage. The township will also check to the see what the right of way is near the retention pond so the property owner & Township know who is responsible for maintenance costs.

Because of no further business, the meeting was adjourned at 10:30 am.
