The Washington Township Trustees met in special session with Powell and Euler present. Chairman Powell presided.

Powell stated this meeting was called to discuss the project in Williamsburg for the bridge on Back Bay Road. We received estimates from Wood County Engineer's Office to do the work. Estimate to dig out, place riprap and finish stone work was \$4,445.28, estimate for steel guardrail with wood posts is \$2,189.87 for a total of \$6,635.15. Euler made a motion to approve Wood County to do the stone work and install a guardrail by the bridge on Back Bay Road in Williamsburg, seconded by Powell. Roll Call: Euler – yes, Powell – yes. Motion Approved.

Because of no further business, the meeting was adjourned at 8:33 a.m.
